My dear Sir

I am grieved to say  
that I can no where find  
N<sup>o</sup> 4 of my Yellow Series for  
you. I felt sure that I had  
put it by for you, but it is  
not forthcoming where it  
ought to be.

I <sup>will</sup> send you the others  
by Railway as a parcel, as  
well as Copies of Turberville's  
& Whetstone, for which you  
omitted to subscribe.

If you do not like  
to keep them, or any of them,

return them to me. If you  
do like to keep them, all you  
have to do is to remit the  
money to me. The cost of each  
is marked, as usual, inside  
the cover.

Let the returned copies  
(if any be returned) be done  
up carefully, with a view to  
the sets to which they belong.

Yours very faithfully  
J. Payne Collier

S. H. Harlowe Esq.

I will send off the parcel  
by railway to-m.
